

# EUT+ LANGUAGES for STAFF Spring 2024

***Joint initiative of EUT+ Language Departments, Disciplines & Centres  
Organised by the Multilingualism Office of EUT+ (WA2.4)***

Dear colleagues,

We are pleased to inform you that from March 2024 EUT+ Language Studies Departments, Disciplines and Centres will again run a number of online courses Languages for Staff in the EUT+ partner universities.

As an initiative to promote multilingualism and multiculturalism within the EUT+ community, and to extend cooperation and collaboration among EUT+ members of staff, we are very pleased to be able to build on the pilot initiative of last year.

You are invited to view the table below with the scheduled times and delivery details of the courses. As places are limited, please, register interest *only* if you can reasonably commit and participate in classes at the scheduled times/dates. Each person should register for only ONE course.

Classes will be formed to allow participation from across the EUT+. It is therefore envisaged that 2 to 4 participants from each university will be able to join *each* of the language courses listed. In other words, class groups of approx. 20 participants will be formed that will bring together staff from the various languages and cultures of EUT+ to learn and develop language competence in a new or second language.

**Registration of interest will begin at 9:00 am (CET) on 22nd February and will be open until 12:00 pm (CET) on 27th February.**

Note that places in the courses will be allocated on a **first-come, first-served** basis.

**You might like to note the registration date in your own calendars!**

The link to the registration form is [HERE](https://forms.office.com/e/kbcXHqmF9u): <https://forms.office.com/e/kbcXHqmF9u>

Class participation will be confirmed as soon as possible after the closing date. Successful applicants will receive an email confirming their course, start date and relevant course information.
