Erasmus+ International Credit Mobility (ICM)
Call for the assignment of students' mobility grants for study
within the KA171/2023 - Project n. 139082

Art. 1 – Aims of Erasmus+ International Credit Mobility

Within the “International Credit Mobility” (ICM) of the Erasmus+ Programme (Key Action 1 – Learning Mobility of Individuals) the Higher Education Institutions may allow mobility actions from and towards the Partner Countries, with which they have signed an Erasmus+ Interinstitutional Agreement.

The University of Cassino and Southern Lazio (UNICAS), within the project n. 2023-1-IT02-KA171-HED-000139082, offers the possibility to receive students from the *Odesa National I.I. Mechnikov University (Odesa)* in Ukraine.

Art. 2 – Available positions

Within this call, UNICAS allows mobility positions for incoming students according to the following table:

Mobility activity	Study Level of the applicants	FIELD OF STUDY	Number of mobilities from Partner Country to UNICAS (total months/days)
For student for study	EQF 7	0311 Economics	5 (21 months)

Art. 3 – Mobility period

The mobility activities must be completed by **July 2026**.

The mobility can be either physical or blended: the physical mobility is carried out at UNICAS where activities are “in presence”; the blended mobility is a combination of physical mobility, of at least 2 months, with a virtual component facilitating a collaborative online learning exchange and teamwork, in compliance with the information provided by the host university.

Art. 4 – Grant amount

The amount of the mobility grant for incoming students (from Partner Country to UNICAS), in accordance with Erasmus+ guidelines, is made up of a contribution for travel (see table below “Travel support”) and a monthly scholarship for subsistence costs as follow:

Subsistence costs	Travel support	Green travel support
850,00 /month (30 days)	€ 275,00	€ 320,00

Students who opt for a Green Travel (the travel that uses low-emissions means of transport for the main part of the travel, such as bus, train or car-pooling) will receive the support for green travel and up to 4 days of additional individual support to cover travel days for a return trip, if relevant.

Grant amounts are computed according to the days of stay in Italy (physical mobility), according to the number of days stated in the certificate of attendance issued by UNICAS.

Blended mobility will be granted only for the days attended in presence in the receiving country (according to the number of days stated in the certificate of attendance issued by the host university).

The beneficiary will not receive any grant for virtual mobility.

Erasmus+

UNIVERSITÀ DEGLI STUDI
DI CASSINO E DEL LAZIO MERIDIONALE

Zero-grant mobility is allowed.

Erasmus+ KA171 grant beneficiaries cannot be supported by other grants from other programmes and/or actions financed by the European Union for the same activity.

UNICAS provides to the incoming students an insurance covering accidents, civil liability and other guarantees provided for by European legislation for students in Erasmus mobility.

ADDITIONAL SUPPORT FOR PARTICIPANTS WITH FEWER OPPORTUNITIES. To allow the participation in the mobility of the students in particular physical, social, economic, geographical, mental or health-related conditions is available additional support of euro 250,00 per month.

ADDITIONAL GRANT SUPPORT - Extra funding for students with special needs and disabilities may be provided in order to cover the supplementary costs for their participation in the mobility activities. For students with special needs, the grant support may, therefore, be higher than the maximum individual grant amounts set out. The disability should be communicated through the application form.

Art. 5 – Admission requirements

Students may apply for this call if they are regularly enrolled in their home Institution.

Candidates must be proficient in English.

Candidates may participate in the mobility periods of this call provided that they will not total more than 12 months maximum per each cycle of study, independently of the number and type of mobility activities.

Art. 6 – How to apply

The application form must be COMPLETED DIGITALLY and its attachments must be uploaded through the form available on the website at

<https://www.unicas.it/international-unicas/international-office/erasmus-office/erasmus-plus-programme-2021-2027/extra-eu-mobility-within-erasmus-plus-ka171/erasmusplus-icm-project-2023/>

The deadlines to apply:

September 3, 2025

December 17, 2025

January 15, 2026

Applicants have to attach to the form the following documents:

- copy of the passport or valid ID card;
- a certificate issued by the Partner institution stating they are regularly enrolled in their home institution;
- proof of English language competences;
- Learning Agreement duly signed by the three parties;
- motivation letter;
- proof of fewer-opportunities background and/or disability (if it applies).

The Learning Agreement has to include the list of the subjects the student wants to carry out during the mobility, if any, and/or credits thesis work.

Applications received after the deadline or delivered in different ways will be rejected.

UNICAS doesn't take any responsibility for non-receipt of the application according to the established procedure and deadline, nor for negligence of third parties, accidental occurrences or force majeure.

Priority will be given to students who carry out the mobility for the first time.

Art. 7 – Selection committee

The selection committee is appointed by the UNICAS Rector. It may include representatives of the Partner Institutions, who participate in the selection of students who applied for mobility from their own institution.

Art. 8 – Evaluation criteria and applications assessment

Only those candidates whose applications have been properly submitted will be considered eligible for the assessment. The selection committee will examine the documentation received and will draw up a ranking according to the following criteria:

- English level.
- Learning agreement.
- Motivation.
- Students enrolled in a UNICAS double/joint degree programme.

The selection committee might decide to interview the candidates to assess their motivation and language proficiency through Skype or video conferencing.

The final selection decision will also consider cross-cutting evaluation criteria such as gender balance, equal opportunities and participation of disadvantaged groups (disabled students, economically disadvantaged students).

Within 30 days from the deadline for submitting applications, the final ranking of the selected students will be published on the UNICAS website. The publication will constitute official communication.

Art. 9 – Before the mobility

From the ranking publication, eligible students have seven days to accept the assigned mobility. After that time, the students who have not communicated their acceptance will be excluded from the list of beneficiaries. Students, in a timely manner after their arrival in the receiving institution, will be required to sign the Erasmus mobility agreement with the University of Cassino and Southern Lazio containing the minimum clauses defined by the European Commission. The Erasmus Office will communicate to beneficiaries the methods for acquiring the document.

Art. 10 – Requirements regarding Visa and Residence Permits

Participants in Erasmus+ projects may need to obtain a visa for staying abroad in the EU Member States hosting the activity. It is strongly recommended that the authorisations are requested in advance, since the process may take several weeks. It is a responsibility of all the participating organisations to ensure that the authorisations required (short or long-term stay visas or residence permits) are in order before the planned activity takes place.

The EU Immigration Portal contains general information on visa and residence permits, for both short-term and long-term stays: <https://ec.europa.eu/immigration/>.

In order to start the mobility and benefit from the grant, students must have a regular document to stay in Italy.
