For students with special needs, the grant support may therefore be higher than the maximum individual grant amounts set out. The disability should be communicated through the application form.

Art. 5 – Admission requirements
Students may apply for this call if they are regularly enrolled in their home University. Students who have already participated in Erasmus mobility programmes may participate. However, the same student may participate in mobility periods totaling up to 12 months maximum per each cycle of study, independently of the number and type of mobility activities.
To be admitted, all the students must be proficient in English.

Art. 6 – How to apply
Applications must be done through the form available on the website.
The deadline to apply is on 25 November 2019.

Applicants have to attach to the form the following documents:
- copy of the passport or valid ID card;
- a certificate issued by the Partner institution stating they are regularly enrolled in their home institution;
- English language certificate (if any);
- transcript of records (Ph. D. students have to provide the transcript of records of their master degree);
- Learning Agreement (not mandatory for Ph.D.);
- motivation letter;
- training/research project (only for Ph.D.);
- proof of socio-economic disadvantaged background (in case it is available) and/or disability (if it applies).

The Learning Agreement may include a list of the courses the student intends to carry out during the mobility, if any, and/or credits for the Ph.D. thesis work.

The application form and all its annexes must be delivered by email to Unicas Erasmus Office (b.sbardella@unicas.it) with subject “KA107-UNICAS_NAME OF THE STUDENT”. Applications received after the deadline or delivered in different ways will be rejected. UNICAS doesn’t take any responsibility for non-receipt of the application according to the established procedure and on time, nor for negligence of third parties, accidental occurrences or force majeure.

Priority will be given to students who carry out the mobility for the first time within Erasmus + programme.

Art. 7 – Selection committee
The selection committee is appointed by the Unicas Rector. It may include representatives of the Partner Institutions, who participate in the selection of students who applied for mobility from their own institution.

Art. 8 – Evaluation criteria and applications assessment
Only those candidates whose applications have been properly submitted will be considered eligible for the assessment. The selection committee will examine the documentation received and will draw up a ranking according to the following criteria.
Candidates will get a score of maximum of 100 points, as follows:
- up to 10 points for English level;
- up to 30 points for the learning agreement and the training/research project proposed;
- up to 30 points for the transcript of records;
- up to 10 points for motivation.
- 20 points for students enrolled in UNICAS double/ joint degree programmes.

Referring to ICM project, priority will be given to the mobility from Unicas towards Albania and Morocco rather than from Albania and Morocco towards Unicas.

The selection committee might decide to interview the candidates to assess their motivation and language proficiency through Skype or video conferencing.

The final selection decision will consider also cross-cutting evaluation criteria such as gender balance, equal opportunities and participation of disadvantaged groups (disabled students, economically disadvantaged students).

The evaluation committee will communicate to UNICAS International Relations Office the final ranking of the applicants, so that the Office can draw up the list of beneficiaries.

Within 30 days from the deadline for submitting applications, the final ranking of the selected students will be published on the UNICAS website. The publication will constitute official communication. All the applicants will receive an e-mail informing on the selection results at the e-mail address used to send the application.

Within ten calendar days from the publication of the rankings, student beneficiaries of the grants must confirm acceptance of the scholarship by giving notice by email to the address as indicated below.

After that time, the students who have not communicated their acceptance will be excluded from the list of the beneficiaries. Erasmus student status and ownership of the Erasmus grant will be acquired at a second stage, soon after signing the financial contract.

Art. 9 – Privacy and personal data
In compliance with the European General data protection regulation no. 679/2016 (articles 13-14, 15-22) and the subsequent Decree n. 101/2018, the personal data sent by candidates within the application, in accordance with the Privacy Statement published on Unicas website in the section “University Regulations”, will be processed for the purposes of management of the selection procedure.
