

# EUT+ LANGUAGES for STAFF

## Spring 2026

*Joint initiative of EUT+ Language Departments, Disciplines & Centres  
Organised by the Multilingualism and Interculturality Office of EUT+ (WA2.4)*

Dear colleagues,

We are pleased to inform you that from March 2026 EUT+ Language Studies Departments, Disciplines and Centres will again run **a number of online courses Languages for Staff** in the EUT+ partner universities. As an initiative to promote multilingualism and multiculturalism within the EUT+ community, and to extend cooperation and collaboration among EUT+ members of staff, we are very pleased to be able to continue this initiative.

We are also happy to offer a pilot course organised by h\_da - **Diverse Classrooms: Intercultural Communication and Competence for EUT+ lecturers** (start date 14.04.2026).

This year the registration of interest will begin on **21<sup>st</sup> February** and thus we shall celebrate the **International Mother Language Day: Celebrating the Voices of Our Heritage**.

You are invited to view the table below with the scheduled times and delivery details of the courses. As places are limited, please, register interest *only* if you can reasonably commit and participate in classes at the scheduled times/dates. Each person should register for only ONE course.

Classes will be formed to allow participation from across the EUT+. It is, therefore, envisaged that 2 to 4 participants from each university will be able to join *each* of the language courses listed. In other words, class groups of approx. 20 participants will be formed that will bring together staff from the various languages and cultures of EUT+ to learn and develop language competence in a new or second language.

Missing the first 2 weeks will result in unenrollment and another applicant from your university will be invited to the course.

**Registration of interest will begin at 9:00 am (CET) on 21<sup>st</sup> February and will be open until 09:00 pm (CET) on 25<sup>th</sup> February.** Note that places in the courses will be allocated on a **first-come, first-served** basis. Enrolled people will be contacted via email.
