

Upon enrollment, after paying the first installment (if you have the scholarship - only €16.00), you can ask for the ENROLLMENT LETTER that you will need for the residence permit. The certificate is free of charge and we remind you that you must take the first year at least one exam and the following years at least two exams as minimum requirements for the Police.

You can also ask for it directly from your GOMP account, following the instruction in **certifications and transcript**
