Erasmus + International Credit Mobility (ICM)
Call for the assignment of students' mobility grants for study incoming from the
TURGUT OZAL EDUCATION SHA (Tirana) in Albania
A. Y. 2024-2025

Art. 1 – Aims of Erasmus + International Credit Mobility

Within the "International Credit Mobility" (ICM) of the Erasmus + Programme (Key Action 1 – Learning Mobility of Individuals) the Higher Education Institutions may allow mobility actions from and towards the Partner Countries, with which have signed an Erasmus + Interinstitutional Agreement.

Art. 2 – Available positions

Within this call, UNICAS allows mobility for study for incoming students from the *TURGUT OZAL EDUCATION SHA* (Tirana) in Albania. Available positions:

Study Level of the applicants	FIELD OF STUDY	Number of mobilities from Partner Country to UNICAS
Bachelor	0311 Economics/ 041 / 0414	2 (4 months)
Master		1 (3 months)
PhD		

Art. 3 – Mobility activities and period

The mobility can be either physical or blended: the physical mobility is carried out in the receiving institution; the blended mobility is made up of both a virtual and a mandatory physical mobility of at least 2 months. The blended mobility is a combination of physical mobility that is carried out at the receiving institution and the activities are "in presence" with a virtual component facilitating a collaborative online learning exchange and teamwork.

The mobility activities for study or thesis work must be completed by **July 31, 2025**.

Art. 4 – Grant amount

The amount of the mobility grant, in accordance with Erasmus+ guidelines, is made up of a contribution for travel (see table below "Travel support") and a monthly scholarship for subsistence costs ((individual support).

INDIVIDUAL SUPPORT - The beneficiary of the scholarship for the physical mobility will receive a contribution for the individual support of euro 850,00 per month (30 days), certified by the certificate of attendance provided by the receiving institution.

ADDITIONAL SUPPORT FOR PARTICIPANTS WITH FEWER OPPORTUNITIES - In addition to the above amount for individual support, an additional contribution of euro 250.00 is provided for beneficiaries with fewer opportunities. Beneficiaries with fewer opportunities are considered those who, for example, find themselves in one or more of the following conditions to be certified: disadvantaged socio-economic conditions with an ISEE value of up to euro 26,306.25; needs relating to certified physical, mental or health conditions; students with minor children; working students; professional students and athletes; students orphaned by at least one parent. To allow the participation in the mobility of the students with fewer opportunities is available an additional support of euro 250,00 for maximum 4 months (the contribution must be paid for the full period of the beneficiary's mobility). To receive the additional grant is necessary to submit through the application form the certified proof of the condition of fewer opportunities.

TRAVEL SUPPORT

PARTNER COUNTRY	Travel support	Green travel support
ALBANIA	€ 180,00	€ 210,00

Students who opt for a Green Travel (the travel that uses low-emissions means of transport for the main part of the travel, such as bus, train or car-pooling) will receive the support for green travel and up to 4 days of additional individual support to cover travel days for a return trip, if relevant.

Zero-grant mobility is allowed.

Erasmus+ KA171 grant beneficiaries cannot be supported by other grants from other programmes and/or actions financed by the European Union for the same activity.

Incoming students at UNICAS are covered by an insurance policy that includes accident insurance, civil liability, and other guarantees mandated by European legislation for Erasmus+ mobility.

The physical mobility will be granted for the days attended abroad (according to the number of days stated in the certificate of attendance issued by the host university).

Blended mobility will be granted only for the days attended in the receiving country.

ADDITIONAL GRANT SUPPORT - Extra funding for students with special needs and disabilities may be provided in order to cover the supplementary costs for their participation in the mobility activities. For students with special needs, the grant support may therefore be higher than the maximum individual grant amounts set out. The disability should be communicated through the application form.

Art. 5 – Admission requirements

Students may apply for this call if they are regularly enrolled in their home University. Students who have already participated in Erasmus mobility programmes may participate. However, the same student may participate in mobility periods totaling up to 12 months maximum per each cycle of study, independently of the number and type of mobility activities.

To be admitted, students must be proficient in English.

Art. 6 – How to apply

The application form must be COMPLETED DIGITALLY and its attachments must be uploaded through the form available on the website

<https://www.unicas.it/international-unicas/erasmus-office/erasmus-plus-programme-2021-2027/extra-eu-mobility-within-erasmus-plus-ka171/erasmus-plus-icm-calls-project-2022/>

Priority will be given to students who carry out the mobility for the first time within the Erasmus+ programme and/ or are enrolled in UNICAS double/ joint degree programmes.

Art. 7 – Selection committee

The selection committee is appointed by the UNICAS Rector. The committee will consider any preliminary assessment made by the sending institution about the students who will apply within this Call.

Art. 8 – Evaluation criteria and applications assessment

Only those candidates whose applications have been properly submitted will be considered eligible for the assessment. The selection committee will examine the documentation received and will draw up a ranking according to the following criteria.

Candidates will get a score of maximum of 100 points, as follows:

- up to 10 points for English level;
- up to 30 points for the learning agreement and the training/research project proposed;
- up to 30 points for the transcript of records;

- 20 points for students enrolled in UNICAS double/ joint degree programmes.

The selection committee might decide to interview the candidates to assess their motivation and language proficiency through Skype or video conferencing.

The final selection decision will also consider cross-cutting evaluation criteria such as gender balance, equal opportunities and participation of disadvantaged groups (disabled students, economically disadvantaged students). Within 30 days from the deadline for submitting applications, the final ranking of the selected students will be published on the UNICAS website. The publication will constitute official communication.

Within ten calendar days from the publication of the rankings, the beneficiaries of the grants must confirm acceptance of the scholarship by giving notice by email to the address as indicated below.

After that time, the students who have not communicated their acceptance will be excluded from the list of the beneficiaries. Erasmus student status and ownership of the Erasmus grant will be acquired at a second stage, soon after signing the financial contract.
