Erasmus+

**Erasmus+ International Credit Mobility (ICM)
Call for the assignment of students' mobility grants for study
within the KA171/2024 - Project n. 238984**

Art. 1 – Aims of Erasmus+ International Credit Mobility

Within the “International Credit Mobility” (ICM) of the Erasmus+ Programme (Key Action 1 – Learning Mobility of Individuals) the Higher Education Institutions may allow mobility actions from and towards the Partner Countries, with which they have signed an Erasmus+ Interinstitutional Agreement.

The University of Cassino and Southern Lazio (UNICAS), within the project n. 2024-1-IT02-KA171-HED-000238984, offers the possibility to carry out incoming and outgoing student mobility with the following partner institutions in Kazakhstan:

Astana IT University LLP (AITU)
Sarsen Amanzholov East Kazakhstan State University (EKU)

Art. 2 – Available positions

Within this call, UNICAS allows mobility positions for incoming and outgoing students according to the following table and in reference to the Erasmus+ inter-institutional agreements signed with the partners:

Partner	Study Level of the applicants	FIELD OF STUDY	Number of mobilities from Partner Country to UNICAS (total months)	Number of mobilities from UNICAS to Partner Country (total months)
AITU	EQF 7	0600 - Information and Communication Technologies (ICTs) 0311 - Economics 1014 - Sports	1 (4 months)	-
EKU	EQF 7	0311 - Economics 1014 - Sports 0600 - Information and Communication Technologies (ICTs)	1 (4 months)	1 (4 months)

Art. 3 – Mobility period

The mobility activities must be completed by **July 31st, 2027**. The mobility can be either physical or blended: the physical mobility is carried out “in presence” at the host institution; the blended mobility is a combination of physical mobility, of at least 2 months, with a virtual component facilitating a collaborative online learning exchange and teamwork, in compliance with the information provided by the host university.

Art. 4 – Grant amount

The amount of the mobility grant, in accordance with Erasmus+ guidelines, is made up of a contribution for travel (see table below “Travel support”) and a monthly scholarship for subsistence costs as follow:

Sending Institution Country	Subsistence costs	Travel support
Kazakhstan	€ 900,00 - month (30 days)	€ 1.188,00
Italy	€ 700,00 - month (30 days)	€ 1.188,00

Grant amounts are computed according to the days of stay in the receiving Country (physical mobility), according to the number of days stated in the certificate of attendance issued by the hosting institution.

Blended mobility will be granted only for the days attended in presence at the receiving country. The beneficiary will not receive any grant for the days in virtual mobility.

Zero-grant mobility is allowed.

Erasmus+ KA171 grant beneficiaries cannot be supported by other grants from other programmes and/or actions financed by the European Union for the same activity.

UNICAS provides to the students an insurance covering accidents, civil liability and other guarantees provided for by European legislation for students in Erasmus mobility.

ADDITIONAL SUPPORT FOR PARTICIPANTS WITH FEWER OPPORTUNITIES. To facilitate access to mobility as much as possible and ensure equality and fairness in accessing the opportunities offered by the Erasmus+ program, the intention is to involve participants with fewer opportunities, such as: participants with certified health problems; individuals from a migrant or refugee background, or national or ethnic minorities; people with difficulties in linguistic adaptation and cultural inclusion, etc.; participants with minor children; working students; professional athletes; orphans of at least one parent; children of victims of terrorism and organized crime. For these participants who, during the application phase, declare conditions of fewer opportunities attested also by self-certification, an additional contribution (for maximum one incoming and one outgoing student) of euro 250.00 per month is foreseen, as defined by the Erasmus+ Indire National Agency.

ADDITIONAL GRANT SUPPORT - Extra funding for students with special needs and disabilities may be provided in order to cover the supplementary costs for their participation in the mobility activities. For students with special needs, the grant support may, therefore, be higher than the maximum individual grant amounts set out. The disability should be communicated through the application form.

Art. 5 – Admission requirements

Students may apply for this call if they are regularly enrolled at their home University. Students who have already participated in Erasmus mobility programmes may participate but the mobility periods can total up to 12 months per each cycle of study, independently of the number and type of mobility activities.

To be admitted, students must be proficient in English.

Art. 6 – How to apply

The application form must be COMPLETED DIGITALLY and its attachments must be uploaded through the form available on the website at

UNICAS doesn't take any responsibility for non-receipt of the application according to the established procedure and deadline, nor for negligence of third parties, accidental occurrences or force majeure.

Priority will be given to students who carry out the mobility for the first time.

Art. 7 – Selection committee

The selection committee is appointed by the UNICAS Rector.

The Committee will consider any recommendation the Partner Institutions may want to produce.

Art. 8 – Evaluation criteria and applications assessment

Only those candidates whose applications have been properly submitted will be considered eligible for the assessment. The selection committee will examine the documentation received and will draw up a ranking according to the following criteria:

- academic path;
- motivation;
- students enrolled in a UNICAS double/joint degree programme.

The selection committee might decide to interview the candidates to assess their motivation and language proficiency through Skype or video conferencing.

Within 30 days from the deadline for submitting applications, the final ranking of the selected students will be published on the UNICAS website. The publication will constitute official communication.

Art. 9 – Before the mobility

From the ranking publication, eligible students have seven days to accept the assigned mobility. After that time, the students who have not communicated their acceptance will be excluded from the list of beneficiaries.

Students can start the mobility only after the submission of the acceptance form and the Erasmus mobility agreement is signed. It contains the minimum clauses defined by the European Commission regarding mobility and the grant received by the beneficiary. The Erasmus Office will communicate to beneficiaries the methods for acquiring the document.

Art. 10 – Requirements regarding Visa and Residence Permits

Participants in Erasmus+ projects may need to obtain a visa for staying abroad in the EU Member States hosting the activity. It is strongly recommended that the authorisations are requested in advance, since the process may take several weeks. It is a responsibility of all the participating organisations to ensure that the authorisations required (short or long-term stay visas or residence permits) are in order before the planned activity takes place. The EU Immigration Portal contains general information on visa and residence permits, for both short-term and long-term stays: <https://ec.europa.eu/immigration/>. In order to start the mobility and
