EUROPEAN UNIVERSITY OF TECHNOLOGY

ESC - The European Student Card

Your digital passport to EU campuses

Why you need it

- **European Student status**
- Faster access to campus services across **500+ institutions in 36 countries**
- Easier identification during mobility

UNICAS is one of only 13 universities in Italy to actively issue the ESC!

Scan the QR Code for full info

Postcards from Abroad

EUt+ is not only agreements and programmes.

It is lived experience.

Help promoting EUt+...

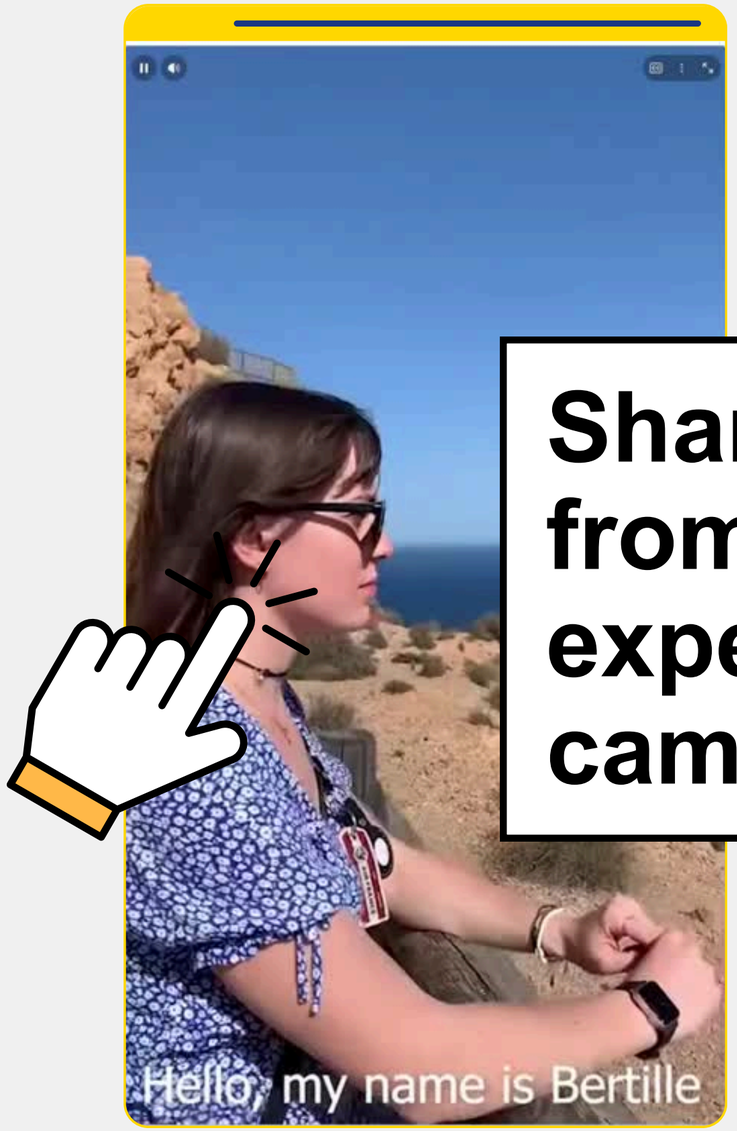

identity – values – experiences - places

EUt+ Student Representatives @UNICAS

UNICAS Student Representatives in the EUt+ Board: your touchpoint with EUt+

Primavera Studentesca

Andrea Di Ruzza

andrea.diruzza-3@studentmail.unicas.it

*As an EUt+ student representative, **I act as a link between everyday student life and a wider European vision**.*

Connecting with different academic communities across Europe has been incredibly enriching, teaching me the value of a truly open-minded approach.

*I believe in **a university built on listening, inclusion, and shared growth**, and I'm always happy to share more about this journey.*

Guardiani University

Luigi Lomastro

luigi.lomastro@studentmail.unicas.it

*Representing students within the EUt+ Alliance means acting as a bridge between everyday student experiences and **a broader European vision of the university**.*

*I strongly believe in the value of **European university alliances as spaces for dialogue, cooperation and shared growth**.*
My commitment is based on listening, dialogue and the willingness to contribute to an inclusive, participatory and Europe-oriented university.
