Company/Organisation Assessment Form

This questionnaire is addressed to the supervisor of our students who have just completed their traineeship.

Within our quality assurance activities, as an ongoing monitoring of our program, once a traineeship is concluded we interview both the trainee and her/his company referents in order to detect their opinions about their recent reciprocal experience.

Please, we warmly ask you to answer carefully to the following questions, your feedbacks will help us to evaluate the efficacy of our education and the adequacy of our teaching offer and, if necessary, to adjust them accordingly.

Thank you for your collaboration!
